Geoff Tompkins

*I returned to Bexhill after being away for many years. I went to school here, and spent my teenage years here, but the call of London was too great, so off I went!*

*I did well: company car, expense account, designated parking space, but it wasn't until later when I realised, sitting on the top of Mam Tor in the Peak District, that what I saw in front of me couldn't possibly have been an 'accident', there had to be a designer, an architect, a creator; but just acknowledging that there had to be a God wasn't enough, and so I eventually invited Jesus into my life, and asked him to use me.*

*There have been ups and there have been downs, but one thing is for sure: God is with me in all that I do, and I know that when I pray to my Father, through Jesus, and by the Holy Spirit, God the Father hears, listens, and understands. I may not always get immediate answers, but I do have the assurance of always having His love.*

*I love Bexhill! This has been my home for 50 years. I'm proud of the town so I pick up litter as I want to keep it looking good, but that is not the only reason. It is a great way to meet people and share with them about my friendship with Jesus.*

*For many years of my life, I have tried to find peace with my Maker. I thought if I could please him with 'good deeds' he would accept me! I found this was hopeless and frustrating and eventually I gave up. Then the truth was shown to me; peace with God can never be earned, only offered and accepted!*

*It's not my faithfulness but the faithfulness of Jesus! He has made a way for everyone who comes to him to find that peace and a relationship with him.*

*I'd love to tell you about how much God loves you; do stop one of us and ask!*

**W**e are a group of local Christians, from a number of different churches in the area, who meet regularly to help keep our promenade, park, and main streets free of litter. We meet so many kind people who thank us and encourage us in what we are doing.

**I**t is not just litter picking. We have organised many events, and regularly hold curry meetings, some with a guest speaker.

**W**e delight in being able to share our faith in Jesus with all those who we meet, and are happy to pray for those in need, and to share time with those who need companionship and encouragement.

**W**ord has also spread about what we do, and why we do it, which has encouraged a number of towns and villages to emulate our activities.

**T**o discover more about us please have a look at our web site [www.jesuslovesbexhill.org.uk](http://www.jesuslovesbexhill.org.uk), or just get in touch by email, we would love to hear from you.

“And so I tell you, keep on asking, and you will receive what you ask for. Keep on seeking, and you will find. Keep on knocking, and the door will be opened to you. For everyone who asks receives. Everyone who seeks finds. And to everyone who knocks, the door will be opened.”

Luke 11:9-10

*I have lived in Bexhill-on-Sea for over twenty years and really love living by the sea. During that time I discovered Jesus whilst attending a quiet reflective prayer group in a friend's living room.*

*I gave my heart to Jesus and put my trust in Him. This gave me huge support over the years, especially during challenging times.*

*It has been a life-changing experience and I have received a deep peace which cannot be explained in mere words.*

*I have witnessed many answered prayers in the short-term and the long-term. Knowing that God will be with you at all times in your life gives a sense of security, whatever your circumstances, giving you assurance that God always does and always will keep His promises.*

*As you put God first, everything falls into place. Jesus has brought me a sense of joy far beyond what material things could ever give and I hope others will experience this in their lives.*

*Why not ask Jesus to come into your heart? Invite him into your life and see everything change!*

*Does life have a purpose? I pondered this as a 17-year-old, having everything and yet feeling empty and lost inside. I thought that life was a vicious cycle of misery: miserable people getting married to each other, bringing miserable kids into a miserable world, and the cycle goes on.*

*My family was going through crisis after crisis; conflict and confusion being the order of the day. There seemed to be no light at the end of the tunnel when one day my heavy-hearted mother went along to a 'Gospel and Healing Service' and hope began to rise in her.*

*As a rebellious teenager I was least interested, but one day by chance I went along and was arrested by the words of Jesus I heard. God knew everything about me and my dysfunctional family. He cared about us and was in the business of changing lives.*

*I invited Jesus to be my Lord and Saviour over four decades ago and my life has been an adventure – God journeying with me through the highs and lows, the rough and smooth, the ordinary every day and through the changing seasons of life. Jesus fills my life and is my reason for living!*

*In my life, Jesus has moved in many ways. I first came to know him at age 13 and I gave my life to Jesus. My family fell on hard times and things changed. By age 22 I had turned my back on Jesus but never fully lost my faith. Taking my own path, I was selfish, but I knew Jesus was always there with me.*

*When my father, who was a true follower of God and a good man, passed away in 2019, I didn't know where to go except back to God. I sought out history and read many books, including the Bible.*

*By 2024 God had turned me around. He brought me back to his Church and He gave me a desire to serve others. I can see God's merciful love for me is beyond my comprehension. He has never given up on me and He brought me back to life, so it is right to "present my body as a living sacrifice" and serve others in the town of Bexhill and beyond.*

*(Romans 12:1 The Bible)*

For God so loved the world that He gave His one and only Son, so that everyone who believes in Him shall not perish but have eternal life.  
John 3:16

**God loves the world, including people such as you and me. He wanted to save the world so much that He became part of the world in the form of a man - Jesus Christ.**

Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."  
John 14:6

**Jesus is the only way to salvation, there is no other way, no other condition, no other route. Jesus is the only way to everlasting life, joy and peace.**
