Andrew Moore

*I found out that God loved me as a teenager, and his constant love has guided my life, through marriage, raising three children, two of whom have also married. I sometimes wonder, 'what sort of world will my grandchildren be born into?' Despite the daily news of disasters, tragedy, and deceit, I don't despair, but have a hope for the future, and a joy fills my heart daily. No matter how people treat each other and this world, Jesus' love is unchanging, and because I know the love that covered over all my sin, I find no room for despair.*

*God has a plan and a future home for all who follow him. I might lose faith in world leaders, but I never lose faith in God, for he always keeps his promises. So I have a hope of a perfect future for me and all my family. And despite the world pushing God away from them, he still pours love upon those who will put their trust in him. In an unpredictable world, knowing God's love is the constant that I have been able to build my life upon.*

*Having grown up not knowing or caring whether there is a God, the greatest day of my life was when, at 24, following the death of our first son, God reached down and made himself known to me. He not only rescued me from grief and despair, but also began to change my self-centred heart. He brought me into a life of love, joy and peace in knowing him as my loving Father, and his Son, Jesus, as my Saviour from sin and my best Friend, not because I had done anything to deserve it but just because he loves me.*

*At so many times he has proved to me his unconditional love and faithfulness and one of his greatest gifts to me in these uncertain days we are now living in is HOPE for the future, knowing that he is in control and that this life on earth is not the end. I hope you will also come to know how much our wonderful God loves you and what good plans he has for your life (Jeremiah 29v11 – Bible, Old Testament).*

June Tompkins

**W**e are a group of local Christians, from a number of different churches in the area, who meet regularly to help keep our promenade, park, and main streets free of litter. We meet so many kind people who thank us and encourage us in what we are doing.

**I**t is not just litter picking. We have organised many events, and regularly hold curry meetings, some with a guest speaker.

**W**e delight in being able to share our faith in Jesus with all those who we meet, and are happy to pray for those in need, and to share time with those who need companionship and encouragement.

**W**ord has also spread about what we do, and why we do it, which has encouraged a number of towns and villages to emulate our activities.

**T**o discover more about us please have a look at our web site [www.jesuslovesbexhill.org.uk](http://www.jesuslovesbexhill.org.uk), or just get in touch by email, we would love to hear from you.

“And so I tell you, keep on asking, and you will receive what you ask for. Keep on seeking, and you will find. Keep on knocking, and the door will be opened to you. For everyone who asks receives. Everyone who seeks finds. And to everyone who knocks, the door will be opened.”

Luke 11:9-10

*I have lived in Bexhill for over thirty years. I really like living in such a lovely place.*

*I came to know Jesus when I was young, thanks to the example of my parents. I realised I needed to put my trust in Jesus for myself.*

*I have proved Jesus so faithful in the ups and downs of life, through ill health and bereavement. I have suffered for many years from anxiety, but He has now set me free from my fears and is teaching me to trust in Him in all situations. Knowing that He is there at all times is a great help and comfort. Having supportive Christian friends has been really great too.*

*I think sharing our experiences of how we are made stronger by His help is important and can really help others. It always helps me to hear these things.*

*It's great to be involved with the litter picking group, supporting them by prayer when they go out into the town and along the sea front.*

**Malcolm Prestidge**

*“Since I met Jesus, life has never been the same”.*  
*I first heard these words in a song early in my Christian life but never realised how true they would turn out to be.*

*I first met with Jesus Christ in 1989 after challenging him to show me he was real, a short while after my dear wife Pat had received him into her life.*

*Not only did he respond but for me it was the start of a life that has truly “never been the same”.*

*Since then, we have had the privilege of serving him in a number of countries on short term mission, culminating in war-torn Bosnia for three fulfilling years at the end of the Balkan war.*

*Never has he not been faithful. Through times of financial hardship, family and health issues, he has remained our strength.*

*I am so thankful to be both a friend of and a follower of Jesus as I believe that my life would have turned out so totally different without him.*

*I gave my life to Jesus when I was in my twenties. I had been asked to join a friend at a Christian house party but, never having been to one before, this was all new to me. Jesus met me there and for the first time in my life I felt His closeness and an overwhelming sense of His love; it was a powerful experience.*

*It's a journey of discovery. He has taken me into places and caused me to meet people and experience things that, without His love, I would not have had the courage and confidence for. Like most of us, I have many ups and downs but He has always drawn me back to Him. Jesus' love is unconditional and always forgiving. He fills me with joy and peace.*

*We are never too young or too old for Jesus to touch our hearts. Don't miss out, He is there for you too.*  
*Luke 11: 9-10 (The Bible).*

**Judy Walker**

For God so loved the world that He gave His one and only Son, so that everyone who believes in Him shall not perish but have eternal life.  
John 3:16

**God loves the world, including people such as you and me. He wanted to save the world so much that He became part of the world in the form of a man - Jesus Christ.**

Jesus answered, “I am the way and the truth and the life. No one comes to the Father except through me.”  
John 14:6

**Jesus is the only way to salvation, there is no other way, no other condition, no other route. Jesus is the only way to everlasting life, joy and peace.**

We would very much like an opportunity to share our faith with you, so please get in touch, we would love to hear from you.
